GEN. & REV. SECTT. 13 JUNE 1933 L. S. G. BRANCH.

SIR,

I have the honour to state that the Assistant Commissioner in charge of Yelandur Jaghir, brought to the notice of the Deputy Commissior Mysore District on 18th February 1931, that the Village Panchayets in the Jaghir, were banking with the Postal Savings Banks and that this system was inconvenient to the Village Panchayets and was not also working well and suggested that the Village Panchayets may open accounts in Government Savings Bank in the Chamarajanagar Taluk Treasury. With a view to avoid inconvenience to the chairmen of visiting Chamarajanagar for remittance of collections and with-drawal of funds that may be required from time to time the following arrangement was also proposed by him.

All remittances from the Village Panchayets to be received in the Jaghir Treasury and deposited there under a separate head of account. The remittances so received in a month in the Jaghir Treasury to be sent to the Taluk Treasury at Chamarajanagar before the 4th day of the next month with pass books of the Village Panchayets for being deposited in the Savings Bank t the several accounts. As regards withdrawal of funds, the Chairmen to present vouchers to the Jaghir Office for amounts to be withdrawn for expenditure in a month, before the 10th of the month, and the Jaghir office to arrange to draw the money from the Chamarajanagar Taluk Treasury and pay the same to the Chairmen concerned. The expenditure involved in this connection for the Travelling Allowance of the clerk of the Jaghir office who journeyed to Chamarajanagar and back to be paid in the first instance from the Jaghir funds and recouped at the end of

the year from the several Village Panchayets.

The Deputy Commissioner, Mysore District sanctioned the procedure on 6th March 1931 and reported the same to this Office. The action of the Deputy Commissioner was also approved by this Office in Official memorandum No.D1.Dis. 1564/30-31 dated 18th April 1931.

It is since reported by the Deputy Commissioner in his letter No. D7.2825/30-31 dated 17th December 1932 (copy enclosed) that the procedure mentioned above has been objected to in audit by the Assistant Comptroller on the ground that the Jaghir Treasury is not a Treasury recognised as such by Government and the procedure of keeping the Village Panchayet funds in the Jaghir Treasury even temporarily without sanction of Government thereto is open to objection, It is also reported by the Deputy Commissioner vide his letter dated 8th March 1933 (copy enclosed) in reply to a query by this Office, that the existing system has been working very satisfactorily and that most of the Village Panchayets consulted by the Assistant Commissioner have expressed the view that it would be very inconvenient if they are asked to go to Chamarajanagar Taluk Treasury to transact directly as many of the Chairmen are Village Officers and cannot attend both Treasuries i.e. the Chamarajanagar Treasury and the Jaghir Treasury at Yelandur on the same date. In the circumstances I recommend that the procedure adopted by the Deputy Commissioner and approved by this Office may be ratified by Government.

The enclosures received with the Deputy Commissioner's letter accompany for reference.

Depositing of V.P.remittances in Yelandur Jaghir Treasury.

In forwarding herewith extract of the Audit Notes of the Village Panchayet accounts of Yelandur Jahagir for the year 1930-31, objecting to the procedure of depositing the Village Panchayet remittances in the Jaghir Treasury on the ground that sanction of Government has not been accorded for the same, I have the honour to state that the Assistant Commissioner in charge of Yelandur Jahgir in his letter No.208/30-31 dated 18th February 1931 (copy of which is enclosed herewith) prayed for permission to deposit the Village Panchayet remittances in the Jaghir Treasury in the first instance under a separate head of account and to send them to the Taluk Treasury at Chamarajanagar before the 4th day of the month following with the Village Panchayet Pass Books for being deposited there. This procedure was approved and orders were issued accordingly in this office letter No.D7.2825/3 -31 dated 21-2-1931 as reported to you.

I therefore request that you will be so good as to obtain sanction of Government for this objection by the local auditors being waived.

Adverting to your docket No.C.2558/32-33 dated 3-2-1933 regard the above subject, requesting to ascertain and report how the present system has been working since its introduction in March 1931, I have the honour to state that the Assistant Commissioner in charge of Yelandur taluk in his letter No.V.P.139 dated 1-3-1933 (copy enclosed) reports that the present system has been working very satisfactorily and that he has consulted most of the

Village Panchayets and they have expressed that it would be very inconvenient if they are now asked to transact directly with the Chamarajanagar Taluk Treasury, as many of the Chairmen are either Shanbhogues or Patels and that they cannot attend both the Treasuries on one and the same date. The present system is reported to be working well, and no difficulty is experienced.

Letter No. 208/30-31 dated 18th February 1931 from the Assistant Commissioner in charge of Nelamangala Taluk, to the Deputy Commissioner, Mysore District, Mysore.

I have the honour to state that at present the several Village panchayets constituted in this Taluk have been depositing the taxes etc., collected in the panchayets in the postal Saving Bank. There are two post offices in the Taluk one at Nelamangala and the other at Maralally and both of them are only Branch offices. Instances have been brought to my notice where the Chairmen of some of the panchayets could not deposit the amounts taken by them to these post offices promptly owing to the absence of the post Masters in charge or some other causes. When withdrawals have to be made, it takes generally a week after the withdrawal voucher is presented to get the amount as in each case the voucher has to be passed by the Mollegal post office, which is the Head office having jurisdiction over the two Branch offices. Besides, the maximum maximum limit up to which deposits would be received in one year is Rs. 750/- and in the case of Agara panchayet where the deposit exceeds this amount the postal authorities have refused to receive any more and have been urging to withdraw the amount deposited in excess of that limit.

after their receipt in this office. This procedure will involve a small expenditure in the shape of Travelling Allowance that will have to be paid to the official who takes the remittance to or brings money from the Chamarajanagar Taluk Treasury. It may in the first instance be met from the Jaghir funds and recouped at the end of the year from the Several Panchayets.

I beg the favour of early sanction to the above proposals.

I beg to remain
